General Hiring Criteria
 The application process for Hogan Lovells' summer program is very competitive, and we select our participants each year from among many highly qualified candidates. We are able to offer positions only to those applicants whose records demonstrate outstanding performance. Although we apply no formulas in our selection process, superior academic credentials, particularly with respect to law school grades and class rank, and excellent written and oral communication skills, are required. We also look for other indicators of likely success at Hogan Lovells, such as demonstrated leadership skill, strong motivation, good judgment, the ability to work well with others, and an interest in community involvement.
