Organization Narrative

The attorney who will prosper at Gunster thrives on a significant amount of responsibility, is constructive, collaborative and creative, and wants to be a lawyer in the truest sense, strategizing with colleagues at all levels, working on complex matters, and putting client needs first. With offices in every major commercial center in Florida, Gunster has a prestigious clientele who trust the Firm with sophisticated, bet-the-company litigation, and which includes large and mid-sized corporate and real estate companies, and high-net worth individuals with sophisticated estate planning and administration needs. The nature of our practice requires that we hire, train, and keep top-level associate talent who have what it takes to develop into owners of the Firm.

ASSOCIATE DEVELOPMENT: Due to the size of our Firm and the sophisticated level of our practice, associate professional development is of primary importance. Gunster provides unparalleled opportunity for associates to acquire the skills necessary to quickly undertake significant responsibility in client matters and to have front-line responsibility on complex matters. There is a strong collegiality and congeniality among the attorneys in our Firm, and our attorneys work towards a common vision, to be Florida's Law Firm for Business. While the practice is fast-paced, sophisticated and challenging, we believe that every individual should strike an appropriate balance between work and personal life. Florida's enviable climate, cosmopolitan lifestyle, and year-round recreational and cultural opportunities make it an ideal place to enjoy an unsurpassed quality of life.

SUMMER ASSOCIATE PROGRAM: Gunster's summer associate program is designed for students who have completed two years of law school. Comprised of students from leading law schools throughout the country, the program provides a realistic view of practicing law in a large firm environment. Summer associates are given a wide variety of legal work and are encouraged to develop relationships with lawyers and staff at all levels throughout the Firm's offices. Summer associates may experience court and administrative proceedings, client conferences, negotiations, closings, depositions, hearings, and trials. Mentoring is an integral part of the program, and summer associates are assigned shareholder mentors & associate advisors for guidance and support. Attorneys and legal support staff provide general supervision, give constructive feedback, and ensure that summer associates become acquainted with the many benefits of working and living in Florida.
