Organization Narrative

Robins Kaplan LLP is a national litigation firm with more than 220 attorneys in seven major cities, including Bismarck, N.D.; Boston; Los Angeles; Minneapolis; New York; Silicon Valley; and Sioux Falls, S.D. We represent some of the world's largest companies, most innovative start-ups, and individuals from virtually every industry and walk of life, both in and out of the courtroom. Our firm has consistently received national recognition for our high-stakes litigation and trial work in Intellectual Property (IP), Business Litigation, Antitrust, Insurance Litigation, and Mass Tort, as well as for pro bono, diversity, and associate training programs.

Our Summer Associate Program gives bright, passionate law students with an interest in litigation the training and guidance they need to put into practice the skills they have learned in law school. Our summer associates work on real case matters for firm clients and participate in multiple training opportunities specifically dedicated to growing their litigation and practice skills. Summer associates are integrated directly into the firm so they can experience firsthand what it feels like to work in a litigation-centric firm that is fully committed to both client and professional success and equal access to justice.
