## Organization Narrative

We offer a rich history, a rewarding present, and a promising future to individuals pursuing careers with Thompson Hine. We seek diversity in the recruitment of lawyers and other professional staff and strive to increase the retention and advancement of minorities and women.

Thompson Hine's Summer Program is focused on finding top lawyer talent and pairing that talent with the needs of our individual practice groups. Students will spend the summer working for various practice groups in order to find the best fit both for the student and the practice group. Students will work primarily with the practice groups that are most likely to have entry-level hiring needs the following year. These practice groups often include Corporate Transactions & Securities, Real Estate, Business Litigation, Product Liability Litigation, and Construction, among others. We may also hire third-year students and academic-year clerks based on the needs of the groups at any given time. Law students are encouraged to submit their resumes, as we will always be looking for talented individuals to join our firm.

We are accepting resumes for the 2024 Summer Program for the following offices: Cincinnati, Cleveland, Columbus, and Dayton.
