General Hiring Criteria The diverse personalities and strengths of our people are the foundation of Winston & Strawn. Our Summer Associate Program seeks well-rounded, motivated, imaginative law students who are team players and will bring a diversity of experiences and approaches to achieve results for our clients. During the hiring process, we look for law students and lawyers with a strong balance of academic credentials, interpersonal and leadership skills. Our Recruiting Committee also appreciates the value that comes from having people with a wide range of skills, interests, and backgrounds. While our attorneys may work in different offices, across the globe, and in vastly different legal areas, we share a common goal of delivering the highest quality legal advice to our clients. We want attorneys who are smart, confident, and practical in their problem-solving approach, and who understand the importance of teamwork. In our experience, the people who succeed at Winston can get the job done in a collegial, results-oriented, and respectful way — and they often have fun in the process. It's that combination of skills and qualities that makes Winston & Strawn remarkable.
