## Organization Narrative

Fish & Richardson's Dallas office is located in an architecturally award-winning building in the heart of downtown Dallas, minutes from locally and nationally renowned icons like Reunion Tower, the Dallas Museum of Art, the Meyerson Symphony Center, and the Perot Museum of Nature and Science. The Dallas office is a leader in providing legal services for high-tech and high-profile companies with operations throughout the U.S. The office serves a wide variety of clients regionally and across the world, from small startups and individuals to large industry leaders. Our Dallas attorneys focus on the firm's traditional strengths in intellectual property, technology, and trade secret law, as well as commercial litigation matters that arise from the firm's clients. The office's diverse range of clients and cases demands lawyers who seek early responsibility, are capable of top-shelf legal work, and enjoy working at the leading edge of law and technology.

Fish & Richardson, the premier global intellectual property law firm, is trusted by the world's most innovative and influential companies. From patent, trademark, and copyright prosecution and counseling to our full-service litigation practice, we work together to provide our clients with exceptional advocacy across the life cycle of intellectual property needs in the U.S. and around the world. Our deep bench of attorneys with first-chair trial experience in every technology makes us the go-to firm for the most technically complex cases. Fish was established in 1878, and now has more than 400 attorneys and technology specialists in the U.S., Europe, and China. Our success is rooted in our creative and inclusive culture, which values the diversity of people, experiences, and perspectives.
