Organization Narrative

Kasowitz Benson Torres LLP, one of the largest litigation firms in the country, represents clients in high-stakes lawsuits, with a particular focus on commercial litigation, securities litigation, antitrust litigation, bankruptcy litigation, and white collar defense and litigation. The firm employs a decidedly aggressive approach to litigation and strives to achieve the most favorable results for its clients by focusing from the beginning of each case on preparation for trial. While litigation remains our core focus, the firm also has a strong real estate transactional practice.

Our success in implementing uniquely creative and successful legal strategies across practice areas has brought us clients with exceptionally interesting and challenging work. Such clients include leading companies in the financial services sector, including major hedge funds, private equity firms, and commercial banks, as well as companies in the real estate, high-tech, manufacturing, chemical, automobile, retail, pharmaceutical and telecommunications industries.

Our focused, independent and entrepreneurial culture distinguish us from other prominent law firms. Our lawyers possess excellent academic credentials, rich and varied experiences, and a shared commitment to our clients, our work and our values. Our lawyers and the firm have been commended by Chambers USA, The Legal 500, Benchmark Litigation, Corporate Counsel, Benchmark Plaintiff, Best Lawyers in America, Law360 and Lawdragon, and we are regularly featured in leading publications, including The New York Times, The Wall Street Journal, The Washington Post and The American Lawyer.

The firm's headquarters and largest office is in New York. We also have offices in Atlanta, Houston, Los Angeles, Miami, San Francisco, Silicon Valley,

Washington, DC and Newark.

ASSOCIATES ASSUME SUBSTANTIAL RESPONSIBILITY. Because we staff matters leanly, associates take on meaningful responsibility at an early stage in their careers. The level of responsibility that an associate shoulders is determined by that associate's drive and ability, as opposed to a rigid hierarchy of seniority often found at larger full-service firms.

HIGH ENERGY ATMOSPHERE. We are an energetic and hard-working group of lawyers. Our associates work directly with experienced partners in an informal environment that fosters close working relationships, both with colleagues and clients. We expect that our associates will develop into complete, well-rounded lawyers, capable of handling all aspects of litigation matters. Associate training is hands-on, and we encourage creative and independent thinking.

NO TRADE-OFFS. Our attorneys work in close-knit teams on highly sophisticated matters. Associate and summer associate compensation is competitive with that of other major New York firms. Salaries for offices other than New York are commensurate with top law firms in the relevant market.

NALP is committed to helping make the legal profession accessible to all individuals on a non-discriminatory basis.
